

Bookings now open for

## Hong Kong, Kuala Lumpur, Shanghai and Bangkok

Teachers throughout Asia will have the opportunity to join an acclaimed Musical Futures workshop again during the 2018/19 academic year. Join us for workshops in Hong Kong (Nov2/3), Kuala Lumpur (Nov 9/10) or during January 2019 in Shanghai (Jan 19/20) and Bangkok (Jan 24/25).

We have **one or two day workshop** options available— whether you are looking to attend a Musical Futures workshop for the first time or are returning to extend your knowledge and experience share in our new resources.

Research shows that immersive professional learning provides the best outcomes. So with that in mind our two day intensive workshop re-creates the classroom and the student experience through lots of practical music making, challenges, discovery and fun.

### Workshop attendees receive:

- All the materials and resources (free) to use in your classroom
- An approach your students will love and you'll love to teach
- Expert guidance through practical, musical and fun workshops
- Membership of Musical Futures that includes access to members only resources, equipment deals, offers and more
- Access to an international network of like-minded teachers to share ideas and resources
- Lunches and refreshments

More details are available on the website including additional information on the program and accommodation options. Visit <http://www.musicalfuturesinternational.org/training-program.html> or email [info@musicalfuturesinternational.org](mailto:info@musicalfuturesinternational.org) for any further information you need.

**£275** two day registration\*

**£175** one day registration\*

\*Excluding ground costs, flights and accommodation

Various pricing options available – see website for details

Our partners and hosts:

Your workshop options:

## DAY ONE - Choose the workshop that suits you best

### Introduction to Musical Futures

For those new to Musical Futures we will explore taster sessions for our core units:

- Informal learning
- Hear Listen Play
- Just Play
- Find Your Voice
- Whole class workshopping

### Musical Futures Recharge

For MF teachers who are ready to explore new resources and approaches to:

- Informal learning with other
- music
- Everyone Can Play
- *New Musical Futures Styles*
- *New Hooks and Riffs*

## DAY TWO – Further into Musical Futures

The further into Musical Futures workshop provides the perfect follow up to either the Introductory or Recharge workshops. The Further into Musical Futures digs little deeper into the aims and ethos behind MF and informal learning as well as exploring new resources, genres and technologies.

- So you can play, now what? Explore beyond the play along and the development of independent music learners
- Musical Futures Studio: explore our new approach for music technology
- Progress, progression and assessment: a practical approach
- Songwriting
