

## **The Big Gig - Kuala Lumpur**

***A groundbreaking 2-day CPD experience for music teachers***

**September 15th & 16th, 2023**

**Host school: Garden International School, KL**

**The Big Gig KL 2023 is Music Teacher conference that brings together a global community of teachers to play, sing, compose, arrange, produce, scratch, rap and improvise our way through two days of interactive workshops.**

Why attend?

- Practical workshops accompanied by a package of free and flexible online resources to support primary and secondary teaching and curriculum planning.
- Ideas for developing a contemporary and progressive whole school (K-13) curriculum that engages learners and prepares students of all ages to become 21st Century Musicians.
- Get creative with music technology, build your classroom band, become creators in your classroom and explore scaffolded warm ups, games and ideas to engage students of all ages.
- Ideas to prepare your students for the challenges of iGCSE Music and beyond.
- Explore current trends in Music Technology & production, such as sequencing, synthesis, sampling and using electronic devices as instruments that will directly assist in both the IB Music and A Level Music & Music Technology Courses.
- Scaffolded warm ups, games and Ideas to engage students of all ages with singing.
- Build a whole class rock band using our fantastic interactive and comprehensive online resources, suitable for all age groups.
- Improve student (and teacher) confidence with improvising, soloing and composing through our tried and tested approaches to classroom workshopping.
- Take away a huge collection of brand new online resources to support fun, engaging and creative music making in your school - no extra charge or subscription necessary.
- Meet, socialise and network with teachers from around the world through making music together.
